To Whomsoever it May Concern

This is to certify that Dr. Vivek Mishra, Assistant Professor at Netaji Institute for Asian Studies had been working in the capacity of Guest Lecturer in the Department of Political Science, Presidency University, Kolkata, from February 16 2017 to November 03 2017. During his tenure for one full academic year with us he ably taught three courses to our students: Global Politics (M.A IV semester) & International Relations (B.A IV Semester) in the winter semester and Multilateralism and Indian Foreign Policy (B.A III Semester) in the monsoon semester. During his stay with us we found him intellectual, hard working and keen in his work. He is a very sincere teacher. His brilliant lectures and wonderful discussions have immensely enriched our students. The students found his innovative methods of teaching very useful and interesting. I must appreciate his amiable nature and polite personality which enable him to work with people from a variety of cultures with remarkable success.

We wish him good luck for his brilliant future.
